

# Garbage Clean Up

## What is a Garbage Clean Up?

There are always opportunities to clean up public areas and yards! This is a great project for touching your community with a surprise service project.

## What will I do when I get there?

- If someone asks what you are doing you can tell them that you are cleaning up the trash just to show God's love in a practical way. Make sure to give them a Love K-W card as a potential future connection point.
- Keep a cooler of cold water bottles nearby for those who are hard at work and those who are just curious.
- Load the garbage bags in the trailer or truck provided. Do not leave any garbage bags laying around.

## Helpful Hints

- When doing this service event make sure you are aware of the traffic around you.
- If this service event is being done in a housing complex you may want to go to the office to let them know that you are there and what you are doing.
- ABSOLUTELY NO DONATIONS!
